Tel:				Whatsapp:	0086 19128206025	
Email:				Email:	Sales02@infinitymachinery.cn	
Validity period						
NO.	Picture	Item Name	Descriptions	Effect	Qty	Exw Unit price (USD)
Foaming Production Line						
1		Manual Foaming Machine	Foaming output: 180kg Total Power: 15KW Max.mixing speed: 0-3000r/min Foaming Bucket: Φ450mm, Φ500mm Machine external size: L1300*W650*H1100mm		1	US\$5,300
2		Foaming Mold (Block Shape)	Size: W2000;L3000 H1200		1	US\$1,900
3		Half Automatic Vertical Foam Machine	Inner table size:W1320×L2440mm Outer table size:W1200×L2440mm Cutting height:H1200mm Baffle: height 600mm Worktable rail guide: T75 lift rail Motor power:1.74kw Blade length: L8100mm Spare parts:3 pcs of blades,4pcs of grinding wheels,one pc of maintenance tools The packing weight:1200kgs The packing cbm:9.2m³		1	US\$4,600
4		Foam Cutting Machine	1.Cut foam size:W1650mm×L2000mm. 2.Worktable turning speed:0-30m/min 3.Motor power: 8.32KW 4.Cutting thickness: 2-150mm 5.Cutting height: H1200mm 6.With pressure roller 7.Blade length:L8500mm 8.Control way: By button 9.Rotary encoder & Thickness counter using Japan brand; -Frequency invert use America AB or Taida brand -Relay and control button use Japan Omron and Eeence Schneider brand	cut foam into thin pieces, put 1 pc block foam at one time , W1650mm×L2000mm.	1	US\$10,900
5		IF-QS-C Fabric quilting machine	stitch length: 2-7mm Rotary hook: big rotary hook voltage: single phase 220v 50hz working width:2.6m Machine size: 3.55*5*1.67m Max size of quilt:2.6*2.8m max needle drop size: 2.4*2.6m Max needle speed: 2200rpm Weight:800kg Power:1.5kw		1	US\$6,100
6		Mattress Flanging Machine	KINGTEX head upper and lower tooth for synchronized feeding unit Flanging width: 25mm/30mm Flanging Thickness:10-70mm China servo motor 550W 220V 220v three phase Max Speed: 3000 RPM		1	US\$6,980
7		IF-T3 Tape Edge Machine (Chain Stitch)	Sewing Head Type: Singer 300U Chain stitch Max Working angle of sewing head: 35°-55° Table lifting Range: 0-280 (mm) Table size: 1.5*2.0 meters Machine size: 2052*1700*820 (mm) Lifting of frame working table: Electric/Screw drive Lifting of case working table: Electric adjustment of inclination Chassis transmission form: Reducer Weight: 600 kg Voltage: 3 phase 380V 50hz		1	US\$6,100
8		Semi-automatic Mattress Packaging Sealer Machine (without table)	Voltage: 220/50HZ Power: 3 KW Sealing length: 3000mm Sealing length: 2600mm		1	US\$3,200
Total Price						US\$45,080
Remarks:	Above quotation is based on USD/EXW. with 1 year warranty
